

College Credit Plus at Ohio Northern University

The ONU Plan

College Credit Plus at ONU provides participating high schools and students with a unique and sustainable way to take advantage of rigorous curriculum through college-level courses while earning college credit. Ohio Northern offers students the opportunity to attend ONU courses on our campus or to take ONU courses from a qualified high school faculty member at participating schools.

CCP Admission Requirements at ONU

College Readiness Standards:

The State of Ohio requires students demonstrate college-readiness as a requirement for CCP participation. Prospective students must meet one of the approved subtests from the table below in order to be deemed eligible for the program.

READINESS AREA	ACT	SAT	ACCUPLACER	NEXT-GENERATION ACCUPLACER
English Sub Score	18	(Evidence Based Reading and Writing) 480	(Sentence Skills) 88 <i>or</i> (WritePlacer) 5	(Writing) 263 <i>or</i> (WritePlacer) 5
Reading Sub Score	22		80	263
Mathematics Sub Score	22	530	(College Level Math) 55	(QAS and AAF) 263

Ohio Northern College Credit Plus Admission:

Once the student has met the college-readiness requirement, ONU will review the application for CCP admission. Ohio Northern University requires a 3.0 GPA and a 20 ACT composite score or 1020 SAT score for admission to the University. In lieu of an ACT or SAT score, a student can meet the readiness score in all areas of the ACCUPLACER for admission to ONU. (See chart above.)

Students must complete the online application, submit a high school transcript, and test scores to the admissions office for evaluation. Deadline to submit application materials for next school year is **May 15, 2018**. Go to www.onu.edu to find the online application on the undergraduate admissions page.

ONU CCP Scholarship and Guaranteed Admission

Ohio Northern is offering guaranteed admission to the College of Arts & Sciences or the Dicke College of Business Administration and a minimum of \$5,000 in University scholarships to any student who completes 15 hours of ONU credits through College Credit Plus, maintains a cumulative 3.0 grade point average, and enrolls full-time at Ohio Northern within two years of high school graduation. ONU is committed to helping students through the admissions process.
