

# College Credit Plus (CCP or CC+)

**Description:** Any time a student in grades 7-12 receives high school and college credit at the same time, it is CCP.

**Purpose:** Promote rigorous academic pursuits and provide a wider variety of curriculum options.

**Available to:** Any student in Grades 7-12 who fills out the attached form and submits it by March 30th of the preceding year. Reminder: colleges will only accept students deemed as college ready (varies from college to college but GPA and ACT score are often considered)

**Costs:** There is no cost for the student unless the student receives a failing grade or fails to complete the course (withdraws from course after withdraw deadline). If the student fails/withdraws, the student/family is responsible for reimbursing Kenton City Schools for the cost of the class and books/materials. If the student takes a class AT the college campus, the student and family are responsible for transportation and transportation costs.

**Types:** There are two basic types of CCP.

**TYPE I** Student takes a KCS course where the KCS teacher is also an adjunct professor for a university. The student can take the Kenton course for just high school credit, but if they choose to do it CCP, then they would also receive transcribed credit from the sponsoring university. The biggest advantages here are: the student doesn't need to leave the building, the course often moves at a slower pace than its college counterpart, and the student is familiar with the instructor. Kenton High School has seven courses offering credit including: Calculus, Elementary Statistics, College English (College Writing/Literature Appreciation), Anatomy & Physiology, and American Politics from the University of Findlay. We also offer Spanish 3 (Spanish I/II) from Rhodes State College. And Introduction to Criminal Science from Ohio Northern University. In all a student could graduate from KHS with 29 semester hours of college credit already complete. Students must meet the KHS prerequisites for these courses to take them (most are junior and senior level courses only).

**Type II** Student enrolls as a CCP student on a college campus and takes college courses with college students and taught by college professors. Student must meet enrollment requirements set by college, provide own transportation, and make schedule work with Kenton's schedule. All colleges participating in CCP are eligible to pick from, as are all courses on that college campus that the student is qualified to take. Courses taken on a college campus do count toward high school athletic eligibility. Once the student has been accepted to the college, the student works with college to make a schedule that will work with their Kenton schedule.

## Procedures for Enrolling:

1. Student and family sign attached form and give it to the guidance office by March 31th.
2. Student applies to college for acceptance into CCP program (April or May).
3. Student makes appointment with college academic advisor to make college schedule. NOTE: college schedule and High School schedule can be difficult to make fit together. (TYPE II only)
4. Student completes course(s).
5. Student requests transcript from college (used when applying to college attending after high school).

**Credit Transfer:** There are no guarantees that college credit earned through CCP will transfer to a college the student attends after high school. However, credits are almost always accepted by other colleges. Talk to college you wish to enroll in after high school to verify transferability.

# CCP Enrollment Application

Kenton City Schools

Student Name: \_\_\_\_\_ Date: \_\_\_\_\_

Parent Name: \_\_\_\_\_

Student Grade Level at time of CCP participation: \_\_\_\_\_

School Year Applying for \_\_\_\_\_

CCP Type: (circle one)      Type I on high school campus      Type II on college campus

1<sup>st</sup> choice College to do CCP with \_\_\_\_\_

2<sup>nd</sup> choice College to do CCP with \_\_\_\_\_

Courses you wish to take (if known): \_\_\_\_\_

I have received counseling from Kenton City Schools on the CCP program and understand my obligations and the procedures to follow. This is to serve as notification that I intend to participate in the College Credit Plus program next year (TYPE I or TYPE II). I understand it is my responsibility, if doing TYPE II CCP, to keep Kenton City Schools informed of my enrollment status with the college and what courses I am taking, schedule of those courses, and final grades received. I also understand that a failing grade or withdrawing from a course after the deadline (TYPE I or TYPE II) will result in my need to reimburse Kenton City Schools the full cost of the course and materials.
