Dear Parent or Guardian:

The state of Ohio requires that high school students take End-of-Course Exams in English 1, English 2, Algebra, Geometry, American History, Biology and Government. Because your student is enrolled in one or more of these courses, he/she will be participating in Spring testing, which begins in April.

These tests are very important, as they are necessary to meet Ohio's graduation requirements. More information on point requirements is included on the back of this letter.

The testing schedule for Kenton High School is as follows:

- Tuesday, April 10th: ELA 1/ELA 2: Part 1
- Wednesday, April 11th: ELA 1/ELA 2: Part 2
- Monday, April 30th: US History: Part 1 & Part 2/Government: Part 1 & Part 2
- Tuesday, May 1st: Algebra: Part 1/Geometry: Part 1
- Wednesday, May 2nd: Algebra: Part 2/ Geometry: Part 2
- Thursday, May 3rd: Biology: Part 1
- Friday, May 4th: Biology: Part 2

Your student will need to report to school at 8:10 A.M. on the dates of the test(s) they are required to complete. The school will be running on a two hour delay schedule starting at 10:00 A.M. for those who are not testing. **Your student is responsible for having his/her laptop charged for testing!** Please do not hesitate to contact your student's counselor with questions about these state tests.
